

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Pig's Lake Levee Repair (\$36,700)

MEETING DATE: November 2, 1994

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Altman General Engineering of Yuba City in the amount of \$36,700.

BACKGROUND INFORMATION: This project will install approximately one hundred lineal feet of erosion-control structures, consisting of logs, stumps and boulders, along the river side of the levee. An impermeable cutoff trench will be installed along the centerline of the levee and a permeable trench will hydraulically connect Pig's Lake with the Mokelumne River. The work will be done this winter while the Woodbridge Irrigation District has its boards removed from the dam.

Plans and specifications for this project were approved on August 17, 1994, and bids were received on September 21, 1994. Only two bids were received on that date. The apparent low bidder submitted an improper bid and the second bidder's proposal was almost double in price. Staff recommended that the bids received on September 21 be rejected and the project be rebid. On October 5, the City Council rejected the two bids and authorized the rebidding of the project. The City received the following five bids for this project on October 19:

<u>Bidder</u>	<u>Location</u>	<u>Bid</u>
Engineer's Estimate		\$ 36,330
Altman General Engineering	Yuba City	\$ 36,700
Cimarron Construction	Modesto	\$ 37,380
A.M. Stephens	Lodi	\$ 44,650
Eagle Enterprise	Woodbridge	\$ 52,153
Jardin Pipeline, Inc.	Castro Valley	\$ 53,900

FUNDING: Originally Budgeted: 1994
Budgeted Fund: State Wildlife Conservation Fund
Current Appropriation: \$41,000
Total Project Estimate: \$44,000
Second Bid Opening Date: October 19, 1994
